Quotations by women about readers and reading accompany the artwork.

Customer Reviews

This is one of the best art calendars out there...the 2017 one is especially good because they don't repeat any of the artwork which they have done for the past several years (which you know if you buy one of these calendars every year as I do) and which I don't like.

I buy these every year. Very nice! Plenty of writing space, and beautiful pictures.
