## Customer Reviews

I have been a huge admirer of the late Sir Simon Marsden for years (I have all of his books and get his calendar every year). The 2017 Marsden calendar promises creepiness galore as it always has - his unique infrared photography make even the most ordinary extraordinary. I can't recommend

Marsden and his work enough. This calendar is a good starting point for a beginner. Gorgeous!

This is the third year I've bought this calendar. Nice, haunting photos.
