Synopsis

The New York Times Bestselling Mystery There is trouble brewing in the Louisiana swamp -- Bowser can smell it. Bowser is a very handsome and only slightly slobbery dog, and he can smell lots of things. Like bacon. And rawhide chews! And the sweat on humans when they're lying. Birdie Gaux, the girl Bowser lives with, also knows something is wrong. It's not just that her grammy's stuffed prize marlin has been stolen. It's the weird rumor that the marlin is linked to a missing treasure. It's the truck that seems to be following Birdie and the bad feeling on the back of her neck. When Birdie and Bowser start digging into the mystery, not even Bowser's powerful sniffer can smell just how menacing the threat is. And when the danger comes straight for Birdie, Bowser knows it up to him to sic 'em.

â œWoofâ • is Bowserâ ™s own story and that of his adventure with Birdie, the girl who adopted him and for who he was a birthday present. Spencer Quinnâ ™s novel in which Bowser narrates his story and the way in which the two solve a mystery is charming, but suspenseful enough to maintain young readersâ ™ interest. Bowser is an unusually intelligent, very observant dog, but one Grammy fears will â œâ leat us out of house and home â |â • Her granddaughter Birdie is undeterred; she wants Bowser as her belated birthday present. Like any loving grandparent, Grammy gives in and

Birdie gets her wished for dog. Upon returning to their home from the shelter where they adopted Bowser, Birdie and her Grammy discover that someone has stolen Black Jack from Grammyâ™s business establishment. Black Jack is a family heirloom, a black marlin caught by Grammyâ™s father after his return from World War II. The fish has been mounted and hung on the shopâ™s wall for as long as anyone can remember. When Black Jack disappeared, Snoozy, the clerk who was on duty at Gaux Family Fish and Bait, has been napping â“ but not for more than âœthirty secondsâ•. As the story progresses, the mystery surrounding Black Jack deepens â“ there are more characters interested in the stuffed fish than one would expect. There are also more reasons for their interest than can easily be explained. Spunky, personable characters â“ both human and canine â“ make âœWoofâ• a delightful book. Both children and adults will enjoy the first person narrative and Bowserâ™s perspective on humans and their activities. Birdie is a spunky girl; she is bright, inquisitive, and determined to recover Black Jack. She is a child everyone would like to have as a friend.
