## Yowamushi Pedal, Vol. 2

## Synopsis

Sakamichi Onoda's first race...and his first road racer! Sakamichi Onoda finds himself in his first real road race following his fateful encounter with fellow first-years and road-racing hopefuls--the driven ace, Shunsuke Imaizumi, and the gifted sprinter and "Speedster of Naniwa," Shoukichi Naruko! But the heated first-years' race for team Sohoku is serious business, and Onoda's competing on his granny bike!! After struggling to keep up, Onoda trades in his old bike midrace for a brand-spankin'-new road bike, and his slumbering potential comes bursting out!! But will it be enough to ride to the top?!

## Book Information

## Customer Reviews

I've been a huge fan of both sports and manga for a long while now. It's great to not only see series like these coming over, but to also maintain the quality that we expect from manga. Yowamushi Pedal's serialization took me by surprise but I've been a fan of the series for years now. I hope this sparks a more dominant presence of sports manga coming over in English!

A WONDERFUL!!! purchase this is one of my favorite anime and manga series I highly recommend it :) ^^ and I really appreciate that it was packaged with the utmost care I will DEFINITELY!!! be purchasing the rest of the volumes from here well done. :) ^^
