Bruce Springsteen 2017 Square Live Nation

Synopsis

With a career that spans over 30 years, there are few American singer-songwriters who compare to Bruce Springsteen. Since his emergence on the music scene in 1975, Bruce Springsteen and his E Street Band captured the woes of the working class, and his folk-oriented songs that were at once poetic and relevant made him one of the worlds best-selling artists of all time. Celebrate The Boss with this official wall calendar.

Customer Reviews

Beautiful new release for 2017, with each month showing a great Springsteen photo taken by a noted photographer. The cover sports the famous photo of Bruce leaning on his Corvette, taken by Frank Stefanko, which will also be on the cover of Bruce's upcoming autobiography. Great gift for the SPRINGSTEEN FAN..

I'm a big Bruce Springsteen fan and I will really enjoy using this well-made wall calendar. Good photos.
