# Lighthouses 2017 Calendar

## Synopsis

The Lighthouse Calendar is BIG: 22 inches tall! Featuring colorful lighthouses in a unique vertical panoramic format, the extra-large 9" X 22" size provides a stunningly large image that nevertheless fits in all but the narrowest wall spaces. From the imposing presence of Cape Hatteras Lighthouse in North Carolina to the lonely dignity of Point Robinson Lighthouse in Washington, the Lighthouse Calendar features twelve dramatic photographs with construction facts and a brief history of these shoreline sentries. The Lighthouse Calendar is perfect for any lighthouse-lover-there's nothing else like it!
