You will receive: practical tools to deepen your relationship with the Triune God—Father God, Jesus, and Holy Spirit. victory strategies to help you disarm lies, break harmful patterns, shift spiritual atmospheres, and access the often-unreached realms of abundant life. keys to experience inner healing by breaking addictions, overcoming obstacles, and walking in sustained deliverance. Salvation is not simply a ticket to Heaven. It is abundant life that begins now and continues forever.

I wasn't really sure what to expect from this book, but I found it to be very informative and helpful. Some of us have things from our past that we have not been healed from. We all want to be free and live a life that honors God. When we have something from our past that is holding us back, we

need to seek God for help. Sozo is built on strong connections and with the tools they offer we can have a true relationship with The Father, The Son and The Holy Ghost. I loved when the authors said, "An important purpose of our lives is to bring light and influence others ." It is hard to do that if we are held back by things that cause turmoil in our lives. I enjoyed reading each chapter and taking notes. I was pleasantly surprised to see at the end of each chapter were discussion questions . This really helped me to understand what I had just read and opened my heart to receive His word more clearly. Each of us have different things we have to overcome . I often wonder when will I be ready to let go and be free from my past? It is a very scary thing for me to take that first step. After reading this, "Even the most difficult situations can be opportunities for breakthrough" I realized that I didn't get this book by accident. I believe that God is slowly opening the door for my healing. Reading a book like this is like the door is barely open, I'm ready to receive His healing , but there is more work to do. Thank you for writing a book that is encouraging, shows us how to forgive, let go of our past and be set free from lies we have believed. This is a book that will be a daily tool for me. I want to understand the process of being delivered more clearly and I know this book is a step in that direction. "Healing happens because those hungry enough to seek it out are brave enough to confront their fears. "I received a copy of this book from The BookClub Network for an honest review.

Do you see God the Father as distant like the Abraham Lincoln Memorial Statue? But want to know Him as He really is: warm and loving? This book provides the tools to help get free from this and many other false impressions that hold us back in life. It's great to see this book by the founders of Bethel SOZO (means saved, healed, delivered) finally in print. The two authors are highly skilled in this area and have years of experience to share. Most of the book is devoted to the core tools (techniques) used in SOZO such as Presenting Jesus, The Father Ladder and The Four Doors, with additional chapters on Displacing the Orphan spirit, and how to live a SOZO (Healthy) lifestyle. It explains what they are, why and how these tools are helpful, and gives short case histories of these tools in action, questions to ask and prayers to pray. The book is suitable for anyone who wants to be free from the garbage we accumulate in life, even if you have no previous understanding of SOZO. This is a REALLY helpful, easy to read book. I hope they write a similar book about the advanced SOZO tools, and a "Tips from the Trenches" type book as well, for those involved in this type of ministry.

Sozo: Tools for Finding, Truth, Freedom, Inner Healing and Deliverance The Greek word Sozo is

translated as: Saved â€œ healed - delivered. A fuller meaning includes the model of being made whole. In their book â€œSOZO: A Journey into Freedom with the Father, Son, and Holy Spiritâ€•, coleaders of the International Bethel Sozo Ministry, Dawna De Silva and Teresa Liebscher provide practical core tools and techniques that lead to a deeper relationship with God; strategies for living abundantly, and keys to experiencing inner healing and deliverance. Each chapter is filled with examples and case histories of hurting people who have found hope; who are rising above and going beyond the trauma of growing up in a dysfunctional family, an abusive childhood, or broken relationships. Readers will be enlightened by seeing their self-worth through Godâ€™s eyes; He created you for His unique purpose, and divine destiny. Dawna and Teresa provide interactive models of Sozo ministry sessions, probing discussion questions and activation exercises for Sozo clients and Sozo ministers in training. These illustrate the tools and techniques to prepare the reader to better experience freedom in every area of life, and to understand the process of training, mentoring, and ministering. A valuable glossary serves as an important aid to clarifying often misunderstood terms used in the area of spiritual warfare and deliverance ministries. â€œSOZO: A Journey into Freedom with the Father, Son, and Holy Spiritâ€• is highly endorsed by well-known International Christian leaders in Biblical healing ministry as a clear model for finding freedom, fullness, and spiritual liberation. The book is informative, encouraging, with important guidelines, insight, and inspiration for anyone desirous of living a life of spiritual abundance.

If you are looking for a book that can potentially lead you into some major healing you must pick this book up. Many times as I read and walked through the questions at the end of each chapter I found myself in tears and realized issues I had yet to heal with. Things that I thought were just â€œnormalâ€• tension isnâ€™t really how God created us to function. I think every person can benefit from this book and walking through the guidelines after each chapter will take you deeper. If it is taken seriously you could see life change in areas you have been struggling with for years. But you have to be open to what the Godhead wants to do, donâ€™t put limits on Him. Something God has been showing me over the last year, even before I read this book, was that I really need all three, Father, Son and Holy Spirit, to fully engage and feel satisfied. They all play a different role and each is significant. So it was interesting to read this and see that Iâ€™m on the right track. Are you ready to dive deeper and receive healing? The Godhead is ready to give it to you. A copy of this book was given to me by The Book Club Network, Inc. in exchange for an honest review.
