## Customer Reviews

This is a beautiful book that's printed single sided with tiny details on the back like a quote and a cute little bow. The pages are very nice quality and blend well to any medium. Beautiful unique mermaids in Pirate, Gothic, risque and the average under sea images. Very fun to look at and beautiful once colored

Love this book and am having a blast coloring the designs. Lots of detail and opportunities to get very creative with color. Love Deborah Mullen's fun artwork.
