I've always known I had a bad penmanship. People have been complaining about it for years which is why I am forever grateful for email. I do want to make changes to my penmanship to make it more legible. This book called out to me and definitely helped me with my dilemma. The tips have helped and I've been practicing. I am not confident yet but I can definitely see that there are minor changes. I am looking forward to showing off my new and improved penmanship soon with the help of this book.

My husband always tells me that my handwriting is really bad even when I was a student. I saw this book and I'm thinking maybe it's never too late to know and learn some strategies that can

improve my handwriting. The book is really good with all the elements and tips I find easy to apply. I'm now practicing and I think slowly there are changes in my handwriting and I'm really loving the result. I'm so glad to have this book

Honestly, I don't have great handwriting, even my husband and daughter didn't understand my handwritten. Reading this book, I discovered helpful suggestion of a different pen grip and different exercises in this book. I already practicing some of these exercises and it feels more comfortable in finding ways to improve my handwriting.

This short guide is fantastic for beginners learning to write essays and improve their writing skills. As a writer myself, I know arms and hands can get cramped up very easily. This guide gives no fluff, which I love. It gets right to the point and gives important info for writers from beginners to veterans. If you want a quick way to improve your skills, give this eBook a try.
