## Customer Reviews

Wow! I received this book as a gift and it has amazingly beautiful Hearts of all kinds. The white hearts on the black background just pop off the page and then when you add color .... well they are stunning! The pages in the book are on a medium weight paper which I found very nice to color on ...I did place a piece of tagboard underneath the page I was coloring for precautionary measures. This book would make a wonderful gift just as it was given to me as a gift .....I know I love it and I am sure you will too!

One of my favorites,
