Praying The Names Of Jesus

Synopsis

Joy, peace, and powerâ”these are only some of the gifts promised to those who trust in the name of the Lord. Praying the Names of Jesus will lead readers into a richer and more rewarding relationship with Christ by helping them to understand and pray his names on a daily basis. By understanding the biblical context in which these names and titles were revealed, readers will gain a more intimate knowledge of Jesus and his plan for their lives. They will also begin to see how each of his names holds within it a promise: to be our Teacher, Healer, Friend, and Lordâ”to be God with Us no matter the circumstances. Prince of Peace, Lamb of God, Bread of Life, Yeshua . . . through his names and titles, we come to understand more fully how Jesus reveals Godâ”™s heart to us. Praying the Names of Jesus focuses on twenty-six of his most prominent names and titles to provide six-months of devotions. Each week provides a unique devotional program designed for personal prayer and study or for use in small groups. Praying the Names of Jesus is the companion volume to the bestselling Praying the Names of God. In ways both surprising and profound, it reveals a rich portrait of Jesus that will move readers toward a deeper experience of his love and mercy.

Customer Reviews

If you are looking for a devotional that points you to God, focuses you on who He is, look no further. This book revitalized my daily quiet time. Isn't the point of our quiet time, drawing near to God? What better way to get to know Him than to focus on His name, which shows us who He is. I have been using the book for over a month and many of the names of God come to mind as I begin my

daily devotional, or through out the day. God is not some far off cosmic being, He is El-Shaddai, El-Elyon, Elohim, Jehovah - Jireh, and so much more as this book will show you. This is a book every Christian seeking to know who God is should have on their bookshelf. It will help you come to know God more intimately.

Seeking a new view of Jesus? Seeking a closer relationship, a more intimate understanding of the Savior who chose you? Needing a refreshment in your spirit, a revival in your heart, a gust of air for a dying or flickering spiritual fire? This is the book for you. Ann Spangler put her heart into the writing of this book. And just as God does he allowed circumstances in Ann's life (as discussed in the Introduction) to test her heart knowledge of these names and the meaning of them in her life, applied to her heart. So this book is not just a woman telling another the head knowledge of these names, but a woman writing from the heart the meaning of these names or titles revealed in scripture. I believe this book is life changing when approached with an attitude of worship, a heart anxious to hear the Father's whisper, a life surrendered to His will. Each of the 26 names discussed is set up as a week long study. I love this because for 7 whole days you focus on one amazing title and come to know Jesus in that roll. The first day is the introduction with scripture and meaning. Days 2-4 are days with devotionals, 5-7 more study and contemplation about what that name/title means in your life and how it is applicable to you. Coming face to face with the Savior demands response. A most powerful and compelling book. Thanks to Zondervan for this review copy.

In one word: WOW !!! A Must-read for all Christians. Each page made me thirsty for more. Read slowly to savor every sentence. I didn't want the book to end. Again, WOW !!!

Rating: * * * * Content Rating: G Praying the Names of Jesus takes 26 names/titles of Jesus designed to take one name and reflect on that name over the week. Each chapter starts off with a brief description of the name for the week. Monday's study is called His Name Revealed and gives background information and a short study; Tuesday's through Thursday's study is called Praying the Name and includes sections for each day on reflection, praise, gratitude, confession, and requests; and Friday's study is called Promises Associated with His Name where comforting promises in Scripture are given for your encouragement and continuing growth of your prayer life. Praying the Names of Jesus was a really effective and inspiring book. It was recommended to me by my friend Jennifer along with the companion Praying the Names of God. I haven't had the opportunity to begin Praying the Names of God yet, but based on what I've experienced through this book, I'm definitely

adding that one to my TBR list. Focusing on an individual name for Jesus gives us a deeper understanding and appreciation for the magnitude of our Savior. He encompasses so many characteristics and all of them amazing and above our complete comprehension. Anytime we can deepend our understanding of God, we realize how big, magnificent, and great (these descriptions just don't do Him justice) He is. And thus in return, we properly view ourselves in relation to Him, which ultimately humbles us. And as a result of increasing our view of God and humbling ourselves, we draw closer to Him. Any book that can help encourage and increase our view of God while decreasing our view of ourselves, and therefore, draw us closer to our Creator, well that deserves not just a read, but a study. Check it out, I think it'll be worth your time.

A wonderful way to enrich your prayer life. Not only do you learn to pray the names of Jesus, but you learn how to take a passage of Scripture that you might really, really need and be able to pray to God in a most amazing way. I just love it and would recommend it to others who wish to draw closer to the Lord and enrich their prayer life.

It is what we all need before we start the day. The book is easy to read and very inspirational. I highly recommand it to all who desires to feel God's blessing before your days starts.

Sometimes you're at a lack of words for prayer. If you have the gift of tongues that can be adequate. Sometimes though, I need something to meditate on, and this book is very informative and meets that need for me. I can find the Hebrew name that is most relevant to my situation or concern, and concentrate on it. If you find yoga helpful for your life, then you will probably enjoy using the book in this way. The same way sanskrit is part of yoga and meditation, this book allows you to use Hebrew and call out to the desires and needs when all you can recognize is a relationship to healing, or providing, or counsel. I hope you enjoy it as much as I do.

If you would like to familiarizer yourself more with the names of Jesus in the Bible, and would like to learn to pray through them, this book is for you. Easy to read and use with short daily entries, this book leaves you hungry for the next day. Ann Spangler is knowledgeable and provides thought-provoking prompts for praying each particular name, full of applicable scriptures. I think this would be useful for those brand new to the Bible or those well-seasoned in the Scriptures. This book will help you continue to fall in love with Jesus.
