# PornBurger: Hot Buns And Juicy Beefcakes

## Synopsis

Indulge your naughtiest food fantasies and satisfy your gluttony and lust with this succulent cook-and-look book, from a self-described "œburger pervert" and creator of the notorious PornBurger blog. PornBurger is Washington, DC, chef, food stylist, and creative producer Mathew Ramsey's orgasmic experiment: ingredient-driven, flavor-intense, sensually divine excess that caters to the food fetishist in all of us. Shamelessly health-unconscious and ready to entertain (or offend), Ramsey's recipes deliver the ultimate in debauched burger stackography "handcrafted buns, patties, toppings, and sides, even some boozy beverages" expertly designed and lusciously photographed in a set of bombshell burger pinups. But don't be fooled by raunchy descriptions and Ramsey's signature burger puns, like the Bill U Murray Me?, Spamelia Anderson, and the Willem DaFoe "nut. This burger freak is a culinary-school-educated chef devoted to the dark arts of hamburgery. Ramsey shows you how to master as many essential cooking techniques as he offers graphically delicious images to ogle. Whet your appetite with delectable concoctions like the Horn Dog: clover honey, whole kernel corn jalapeño batter, slow-roasted pork belly, pickled hot dog, two smash-cooked PornBurger beef patties; the James Francophile: quick pickled beets, truffled demi-glace, Gruyère de Comté, one PornBurger beef patty, bone marrow onion jam, potato-chip-crusted fois gras gougère; and I Woke Up Like This: sriracha mustard, arugula, smoked bacon, American cheese, fried chicken thigh, quick-pickled hamburger dills, White Castle cheeseburger waffle. Combining tantalizing meat blends, grinds, and cooking methods, a tempting range of vegetarian and pescatarian delights, and lip-smacking custom ketchups and pickles, PornBurger offers the ultimate dining experience and entices you to create your own culi-naughty adventure. Every element of every burger is open to reinterpretation "with PornBurger, get weird, get wild, and leave no burger fantasy unimagined . . . or uneaten.

## Book Information

Hardcover: 312 pages

Publisher: Ecco; First Edition edition (May 17, 2016)

## Customer Reviews

SO DELICIOUS!! Photography is beautiful, recipes are easy to follow (I have a one-year-old, so complicated recipes are on hold til he turns, oh-I-don't-know, 16), AND THEY TASTE AWESOME. I've made the street corn, and the Porknado burger with all its sauces/accoutrements. I like that all the condiments could be made the day before; my BBQ game is definitely raised thanks to Pornburger ^ And excited to try the grilled pineapple butter on my toast tomorrow morning! The photos are of my burger, and all the sides. Seriously good.

Beautiful photography, intriguing burger combos/constructs. Bought this as a father's day gift for our son-in-law, a CIA trained chef, who owns (along with his wife/our daughter, who manages) the award-winning 'urban chic' Street Burger restaurant on Kauai in Hawaii. FB: Street Burger Kauai [...]

At first I was skeptical that this book would be a full 10 inches (and 1 inch thick), but upon delivery I can honestly say this hardcover doesn't disappoint. I've been repeatedly satisfied this summer.

This is an amazing cookbook. The recipes are delightfully twisted and bordering on the obscene. The photos and text are remarkable. I cannot wait to try some of the burgers as well as the accoutrements.

i can't possibly write a review as witty as one chef mathew ramsey's sexy recipes. but this book is a must for burger lovers and all sorts of other kinds of lovers.

One of the best burger books ever - especially living overseas where no one knows how to make a real American burger.
