# The Trinitarian Faith: The Evangelical Theology Of The Ancient Catholic Church (T&T Clark Cornerstones)

## Synopsis

Cutting across the divide between East and West and between Catholic and Evangelical, Thomas F. Torrance illuminates our understanding of the doctrine of the Holy Trinity. Torrance combines here the Gospel and a theology shaped by Karl Barth and the Church Fathers, and offers his readers a unique synthesis of the Nicene Creed. This volume remains a tremendously helpful resource on the doctrine of the Trinity and the Nicene Creed. The new introduction for this Cornerstones edition is written by Myk Habets, the leading Thomas F. Torrance scholar today.

## Book Information
