This is a lovely Scriptural based coloring book from Christian Art Publishers. There are 55 pages of full designs as well as 7 pages of bookmarks, cards, and gift tags. All of the full designs in the book (as well as most of the extras) include a verse from The Psalms. The translations used are a variety: The Holy Bible NIV, the Holy Bible New Living Translation, the New King James Version and The Holy Bible English Standard Version. The Scripture is beautifully integrated into the lovely designs so that, while the words speak to the heart, the colorist can enjoy the beautiful illustrations as well. I like the there is such a large variety of designs but with the grounding of a single book of the Bible. The

Psalms are the book I turn to when I am most troubled. The problems the Psalmist struggled with and the words he speaks to God usually find an echo in the things that I am struggling with as well. Here is a brief overview of what I found in this coloring book: 62 Pages of Designs based on The Psalms. Designs printed on one side of smooth, white, heavyweight perforated paper. Glue Binding. Most designs merge past perforations into the binding area. Alcohol-based makers bleed through the page. Water-based markers, India ink pens, and gel pens do not bleed through the page though gel pens require a longer than usual drying period. Coloring pencils were mixed. I had good results with waxed-based soft lead pencils and hard lead pencils in general. Oil-based soft lead pencils laid down good color but did not blend well. Hard lead pencils did not dent the back of the page. I'm so pleased with the beautiful Scripture-based coloring books that I have found recently and am thankful to have found this one as well.

Just like "My Favorite KJV Verses to Color" this book is perfect! Again, the cover is beautiful and the pictures are wonderful. Bright white, thick paper that is perforated. The pictures are one sided which I love! Bic Mark Its and Sharpies bleed thru, so if you don't remove the picture from the book when you color be sure to put something behind it. One of my favorite books. You will really enjoy it!!

Very, very pleased. Great quality. Bonus in back of book, cards, bookmarks, gift cards. Create a unique gift to share. Loved it enough ordered 2 more for gifts. Great way to unwind and meditate on the Lord's word.

This book is Beautiful! The Psalms are songs of praise to God and this book provides an alternate way to offer Him praise using inspired Scripture and our creative talents. Also, it's printed on heavy paper which is a big plus!

"The Psalms in Colour" Colouring Book is one of the 4 colouring books that we have ordered from . Here's why we like this book: #1. Psalms --- The scripture quotations are taken from NIV, NLT, NKJV and ESV. The choice of scripture quotations in this book is great for our new colouring hobby as we prefer to have a scripture to contemplate on whilst we colour. #2. Variant Font - The font used for the scriptures are beautiful, random and do not repeat in another colouring page. #3. Layout - The layout of the scriptures with the images from Shutterstock.com are creatively put together, and again, no two pages are of the same layout. We also like to specially highlight that we chose to purchase this book for there are bookmarks, cards and gift tags to colour! There are such a variety of pages to

colour!#4. Perforated Colouring Sheets - It is great that we can easily tear out the pages and put the heavy card stock on our clipboard to do the colouring with Copic markers. In that way, we won't have to worry about staining the next page. We are extremely happy with this purchase, and we are looking to get more of Christian Art Publishers' colouring books in future.

I gave this book as a gift to three other people and they were all very pleased! I have only found time to color one Psalm , but it was fun, and relaxing and I look forward to coloring more. The Coloring pages are very lovely, and will be even more so when filled in with colors! If you really liked to color as a kid, or have never colored before, it is a very nice relaxing way to create art. One of the recipients of the coloring book said "Now I can send my grandchildren something to hang on their refrigerators!" So true!

This coloring book is filled with beautiful pictures and a delightful selection of scriptures from the Psalms. The paper is high quality and I'm able to use both oil and water color pencils. Several coloring books I own seem a little redundant with the types of pictures they have for coloring. The Psalms in Color book has a nice variety and it doesn't feel like, "I just colored that!" A definite MUST for anyone who loves to color and loves the Psalms.

Thhis is the first time I have made such a purchase ! I am so happy coloring with My Children & Now My Younger Grandchildren. A Friend suggested I Try These~ At First, I thought a Bit silly but after I tried it, I Find it to be very relaxing! This was my first book & The Pictures are very detailed. There is a lot of Patience required.. Although I like the Bible verses I am going to look for one that doesn't require so much detail coloring.
