Littlebits (21st Century Skills Innovation Library: Makers As Innovators)

Synopsis

With LittleBits, you can build your own electronic devices using modules that snap together easily with magnets. With this book, students learn the art of innovation through detailed explanations and hands-on activities built to foster creativity and problem solving. Fun, engaging text introduces readers to new ideas and builds on maker-related concepts they may already know. Additional tools, including a glossary and an index, help students learn new vocabulary and locate information.
