# The Book Of Proverbs (KJV) - Book 1: Gigantic Print Edition (Bright Reads Books)

## Synopsis

Bright Reads Books (Rick Sellano, LLC) brings you a sampling from The Bible's "Book of Proverbs" (KJV) in 66-point font. These words are decidedly timeless. Unfortunately, as many of us know, our vision is not. Enjoy this book in a point size far bigger than the typical "large print book," usually just 18 points. We hope those who struggled with reading, no longer have to, and that reading to grandkids is once again an option. Original authors and illustrators are always credited. Bright Reads Books: A division of the online, subscription-based writing service, My Ink Shines.
