Customer Reviews

there is a story!!! thankfully thanks to other reviewers, we got this book. I can't stand that many of the turtle books 'lack' a good story, this at least has a plot, and its a good way to let my child enjoy the franchise he's fascinated by without having to have him watch the show...for now of course!!! I know that will change when he gets older. for a three and a half year old, this is entertaining.

Love the format and the illustrations are so Awesome! Happy to read this to any child. ;)

Napoleon Bonafrog is now a Napoleon Dynamite parody. I can get behind this.
