Great book -- a birthday present for my granddaughter. She's at the point of being able to read by herself, and this is a perfect book for it. Only reasons for missing the 5th star was value -- i.e., cost per pages. This is a very small book -- only a handful of pages. I think it could have been priced a bit lower.

This is my first introduction to the Froggy books. It has a theme which children will enjoy: a birthday party and presents. Froggy is worried that his family and friends have forgotten his birthday. Turns out they planned a surprise party for Froggy. Froggy got some fun gifts - especially liked the gift which Froggy's mom got for Froggy. The Pin the Tail on the Donkey game was amusing, too. Children will enjoy the funny illustrations. Froggy is appealing!

My son loves the Froggy books! I wish the publishing company had taken more time with the stories as I find errors that bother me.

My son loves the Froggy series and I am so glad we were able to find these!!

My granddaughter loves this book!
