# Details For Passive Houses: Renovation: A Catalogue Of Ecologically Rated Constructions For Renovation

## Synopsis

Ecological refurbishment to Passivhaus standard requires know-how and experience. For this reason, the book has been produced as a design tool which systematically covers existing solutions. Examples relating to building physics, construction and ecology issues are presented in the same successful manner as in the previous volume from IBO using standard cross-sections and connection details in four-color scale drawings, as well as numerous tables
