## YO-KAI WATCH, Vol. 5

## **Synopsis**

Nate Adams is just an average kid until the mysterious Whisper gives him a device that allows him to see what others cannot, Yo-kai of all shapes and forms! Now, armed with the Yo-kai Watch, Nate, Whisper and their new invisible friends embark on an all-new supernatural adventure! Yo-kai, inspired by the yokai of Japanese folklore, are not ghosts or monsters or creatures. They can't be seen by the human eye, but they're everywhere, and whether they're phantoms or everyday objects discovering their higher purpose, Yo-kai personalities are distinctly humanlike!

## **Book Information**

Grade Level: 3 and up

## **Customer Reviews**

These manga are not going to slow down on the releases. They are still in the early stage, so it's easy to still pick up and start collecting them while this series is fresh and young. This is another great manga that should be in your collection, if you are a fan of the Yokai.

My 9yo Grandson absolutely loves these books. I can hear him laughing out loud on the second floor as he reads them and unlike me, he is not unnerved by the right to left, back to front format. I guess this is a near literal translation.

I loved the new yo-kai, it's also very funny. If you like this then read the others.

My son's obsessed with Yo Kai Watch, and he enjoys reading the comics :)
