# NIV® Standard Lesson Commentary® 2016-2017

## **Synopsis**

As the nation's most popular annual Bible commentary for more than two decades, the Standard Lesson Commentary provides 52 weeks of study in a single volume and combines thorough Bible study with relevant examples and questions. The NIV SLC Paperback Edition is perfect as the primary resource for an adult Sunday school class and personal study or as a supplemental resource for any curriculum that follows the ISSL/Uniform Series. Nearly two dozen ministers, teachers, and Christian education specialists provide the Bible commentary, lesson plans, discussion questions, and other features that make the Standard Lesson Commentary the most popular annual Bible commentary available. The Standard Lesson Commentary is based on the popular Uniform Series, also called the International Sunday School Lessons. This series, developed by scholars from several church fellowships, provides an orderly study of the Bible in a 6-year period.

Our group haven't started using the books yet, but we looked at the lessons they seem fine.

Love it....

Love there books

For the Seniors in the class, it is difficult on the eyes. However, the content and layout is great.

These are exactly what we were expecting, just like the ones we have gotten for years.
