Trick Or Treat, Pout-Pout Fish (A Pout-Pout Fish Mini Adventure)

Synopsis

A short and sweet mini-adventure especially created to introduce the youngest guppies to the popular Pout-Pout Fish. It's Halloween under the sea! Mr. Fish is wearing his costume, but what is he dressed as? A goblin? An astronaut in space? A pirate at the helm of the spooky submarine? Tiny tots will love swimming along with Mr. Fish as he turns little pouts into big smiles. With just one line of text per page, this simple, twelve-page board book will send Debbie Diesen and Dan Hanna's much loved Pout-Pout Fish flippering and swishing into the hearts and minds of very young children.

Customer Reviews

As always, the illustrations are fun and well done. However, the story is short and lackluster. Our 2 year old was bored half way through it. There's only a few words on each page and there's no 'story line'. Oh well, we will read it a few times and give it away. I'll definitely be more cautious of my next Pout Pout Fish purchase.

Although mt daughter's favorite book is ' the pout pout fish' this book is missing all the magic that the other has. The story line is confusing, and because the characters are in costume, my two year old dosent recognise her sea friends from her favorite book.

Not as fun to read as the other pout pout books. Will give to grandson the 1st of October

The original Pout-Pout Fish book was great, so we wanted this as soon as it came out! It is a huge disappointment - nothing like the original.

There's not a Pout-Pout book that isn't wonderful. My granddaughter loved it!!

My grandchild loves Pout Pout Fish - this will add to her collection

Subpar pout pout fish version

Absolutely wonderful books.
