I thought this would be a fun way to ask my 4 Flower Girls and it was! Very cute, a lot of different activities and tons of stickers. I wish they had them for the Ring Bearers too!

Very well received by 6 year old and 4 year old flower girls. I had to order blindly without a peek inside, but the little girls loved them and enjoyed the activities and stickers.

Perfect for my flower girls. These are going to be perfect to keep those little ladies busy during down time!!!

Bought this for my niece who is my daughter's flower girl. It's very cute. I think she will like it.

Great book for introducing my 3.5 year old granddaughter to being a flower girl.

Nice book, but it's for older girls - older than 3. Maybe more like 6 and up.

Adorable, but some activities may be challenging for a very young girl
