Chardonnay Minx - Party Girl: Coloring Book

Synopsis

Chardonnay Minx is a fun loving, wine swilling party girl themed coloring book unlike any other! This is a unique collection of 27 tongue in cheek humorous coloring pages about a girl called Chardonnay, her friend Merlot and silly wine drinking situations like in the office, at the wine cooler and on a trapeze! She's a little glam and little bit silly but boy is she fun to color! Chardonnay Minx's "Party Girl" is also a perfect gift for your wine guzzling friends or family. Each coloring page is one-sided so you don't have to worry about ruining the other side of your coloring pages if you use markers or other wet mediums. All pages are Collette's completely hand-drawn original designs and sayings from simple and easy to slightly more intricate and challenging. Also included are several bonus pages from each of her two books, The Dress Book I & The Dress Book II due out shortly and pages from her Etsy.com site; there is a Tester page so you can test your pens/pencils/markers, paint etc on before using them or practice your color blending, as well as several blotter pages to use between your coloring pages. Also included is Collette's own special cocktail recipe - "Pink Minx" - for you to make if you like cocktails of course! You can check out Collette's work, read some reviews or buy printable PDF pages at her Etsy shop at www.etsy.com/shop/ColletteByCollette Adult coloring books are known to help reduce stress, calm your thoughts, and relieve anxiety. Of the 150 plus coloring books that I own this is my new favorite. Chardonnay is such a fun character to color. Collette Fergus has created fun and unusual pictures for coloring that are not leaves, birds, or flowers. It's so refreshing to color a book like this. I simply cannot wait to see what's next for Chardonnay!!!!

Collette has introduced a fabulously fun character in Chardonnay Minx!! She is not your average character!! This book is very amusing and fun to get lost in and unwind from your busy day. You might even want to have a nice cold drink: Be ready for some fun. This book brings you back to the basics of your love to color. It is full of good humor that you don't have to hide!! You have to just color Chardonnay once to be hooked. If you like something different, out of the ordinary and just a little bit quirky then this is the book for you!! You won't be disappointed!! I was not giving any compensation for this review. It is my honest opinion of this adult coloring book. I love it!! Collette Fergus is an amazing artist. All of her designs are hand drawn.

This book is wonderful. I have been a mad collector of Collette's colouring books for a while now and I have never failed to be disappointed in the quality of her product. Such great fun!! I have bought several copies of her previous books for my crazy friends and I may do the same with this one. Don't wait - get it now!!
