Jane Austen Coloring Book (Manja Classics)

Synopsis

Welcome to the world of Jane Austen, manga à “ style! Jane Austen is one of the most widely read authors in the history of English literature. Her most popular works live in the world of romantic fiction during the 18th century. The themes, realism, and social commentary she created have endured for generations and continue to influence writers to this day. Manga Classics proudly presents our first coloring book collection of artwork from our critically acclaimed manga adaptations of Pride and Prejudice, Emma, and Sense and Sensibility. Relive some of the best moments from your favorite Austen stories with our Manga Classics Jane Austen Coloring Book. Inside this wonderful coloring book you'll discover over 40 beautifully illustrated pages featuring: Mr. Darcy, Elizabeth Bennet, and others from Pride and Prejudice. For fans of Emma, there is our heroine Emma Woodhouse as well as Jane Fairfax, Mr. Frank Churchill, and George Knightley. We also include the Dashwood sisters Elinor and Marianne along with Edward Ferrars and John Willoughby-all from Sense and Sensibility. Price Includes VAT.

Customer Reviews

The 45 pages of designs in this coloring book are done in Manga form with lots of big eyed girls. The designs are detailed and intricate with some having small areas to color. They represent three stories: Pride and Prejudice, Emma, and Sense and Sensibility. Parts of each story are included on each of the design pages. Interestingly, at the end of the book, there is a page which refers you to

actual story books done in this form. Each of the stories is well represented, so a fan of Austen (such as myself) should have fun coloring. Some of the designs have quite elaborate frames which adds to the fun of coloring. I don't have many coloring books which have this detail. There are 43 pages of story designs and two additional pages of multiple bookmark style designs. I will go into more detail about the physical book below but in an overview this is what I found:

45 Jane Austen inspired Design pages
Printed on one side of page
Paper is thin, white and non-perforated
Glue Binding
Designs do not merge into binding
Alcohol and Water based makers bleed through the page
Gel pens and India ink pens leave shadows of color on back of the page
Coloring pencils work well
The designs in this book are printed on one side of thin, slick, non-perforated white paper. The paper has a really smooth feel to it as if it might be coated with something. The designs do not merge into the binding. The binding is glued rather than sewn. If you want to remove a page, you can cut it out without loss of design elements. I could get the book to open to a fairly flat position for coloring.

I test my coloring books with various mediums (which I will list in the comments section below for anyone interested).
